Additional questions for applicants to the U21 Health Sciences Group Scholarships

If you wish to be considered for one of the U21 Health Sciences Group Scholarships of US\$500 – US\$700 please complete the additional two questions.

1. Why do you deserve the U21 Health Sciences Group Scholarship? (250 words max)

2. Describe how you would fund your participation in the 2024 Summer School if you were not awarded the Scholarship. [e.g., access to other funding opportunities, self-funding etc.] (250 words max)

Terms and Conditions for Students

The following conditions must be adhered to as a representative of your home institution while on a U21 HSG program. These are to ensure that your experience overseas is enjoyable, and that the integrity of the program is maintained. Please read carefully.

If I am selected for one of these programs I agree:

1. To abide by all rules, regulations, policies, laws and reasonable requirements of both the University and my home institution while attending the program.
2. That I will be liable for the registration fees and all associated fees for this program.
3. I have appropriate English language skills to participate in the program, which will be conducted in English.
4. To arrange travel and health insurance cover for my trip.
5. To act as a representative of my home institution.
6. That if I am subsequently charged in a criminal offence or am subject to disciplinary action under the Disciplinary Statute in my home institution regulations, I understand that I must bring this to the attention of my home institution immediately and that my application may be terminated.
7. That if I am successful in my application and it is subsequently discovered that the information I have provided is not complete, accurate and correct or I have failed to disclose information, my application may be terminated.
8. I understand that failing to comply with any of the above conditions can result in my program being terminated.

I agree to these Terms and Conditions.
