

Medical Clinical Placement Programme 2024 Application Form

The U21 HSG Medical Clinical Placement Programme (MCP) offers undergraduate medical students from U21 HSG member institutions a range of international clinical placement opportunities waived from administration fees. Members list: <https://u21health.org/our-members>

The MCP is aimed at undergraduate medical students in their final year of study. Students must be fluent in English to undertake a placement.

To apply for the MCP, please send the completed application form to Alicia Lui, U21 HSG Secretariat, at alicia22@hku.hk.

Applicants must ensure that this application form has been validated by the named representative from their university. Please check details on the website before completing this form. Information about school's placement programme and specific details, as well as who university representatives are can be found here: <https://u21health.org/medical-clinical-placement>

Notes:

- Upon accepting an offer from a placement university, students will be required to sign a letter of acceptance. This letter must be signed and received before going on the placement.
